The visionary Swiss psychiatrist Carl Gustav Jung (1875-1961) remains a source of inspiration and enlightenment for those who wish to explore the wisdom, creativity, and healing potential of the psyche. Jung invited us to connect with the powerful unconscious energies that move through each of us, present in our dreams and creative imagination, and speak to us in symbolic language. By engaging in this inner work, Jung believed we are able to discover and integrate our undeveloped or neglected capacities, embody our authentic selves, and gain meaning in our lives.

Since 1974, Oregon Friends of C.G. Jung has invited leading Jungian analysts and scholars from around the world to bring their insightful and innovative perspectives to our community in Portland. OFJ’s annual program season features eight weekends of Friday Talks and Saturday Workshops in which Jungian ideas are explored in depth.

We are a community of people seeking to enlarge and deepen our understanding of life’s challenges and stages through an inner exploration that offers an abiding sense of shared meaning and purpose. We invite you to join us.

**BOARD OF DIRECTORS**

Our board members come from all walks of life, united in their interest in promoting the spirit of inquiry, which was the hallmark of Jung’s work. Current board members are Rick Brodner, Warren Buss, Jelly Helm, Rebecca Lam, Brian Lanahan, Jolinda Osborne, Leonora Perron, Cleo Reilly, and Katharyn Waterfield. Write to us at info@ofj.org or leave a message at 503-223-3080.

**PNSJA ANALYST SEMINARS**

Last year, in partnership with the Pacific Northwest Society of Jungian Analysts, OFJ launched a series of three in-depth, small-group seminars, on the topics of Fairy Tales, Symbols, and Individuation. They filled up quickly, with members receiving priority. This year we’re offering a new series. Another reason to join OFJ!
